# What is Medicare Advantage?

Medicare Advantage, also known as Medicare Part C, is a health plan approved by Medicare and offered by private insurance companies like us. Medicare Advantage plans bundle your Medicare Part A (hospital/facility costs) and Medicare Part B (doctor/labs/other costs) with added benefits and services.

## MEDICARE PART D PRESCRIPTION DRUG COVERAGE

Original Medicare doesn't include prescription drug coverage—also called **Medicare Part D**. It's also only available through private insurance companies and is often included in Medicare Advantage plans.

Our CareFirst BlueCross BlueShield Medicare Advantage plans **include prescription drug coverage with no annual deductible**.

## WITH A MEDICARE ADVANTAGE PLAN YOU GET:

- **Convenience:** All your Medicare benefits on a single plan. If you ever need help, there's only one number to call.
- **Cost protection:** Plans have annual limits on your out-of-pocket expenses.
- **Added benefits you want:** Benefits beyond doctor's visits. Hearing, vision, fitness dental and more are part of the plan.

# Let's compare Original Medicare to a Medicare Advantage plan

## ORIGINAL MEDICARE (PARTS A & B)

- Provided by Medicare, a federal government agency.
- For most, Part A is free. Your monthly Part B premium is based on your annual income.
- Original Medicare only covers about 80% of your medical costs after you meet your deductibles.

OR

## MEDICARE ADVANTAGE PLAN (PART C)

- Offered by private insurance companies approved by Medicare, like CareFirst BlueCross BlueShield.
- Includes your Medicare Part A and Part B coverage.
- May include Medicare Part D—that's your prescription drug coverage.
- Usually includes added benefits, like vision, hearing, dental, fitness classes and gym memberships and more.
- In addition to your Part B premium, you only have to pay one other monthly premium.

### YOU CAN ADD:

#### MEDICARE SUPPLEMENT PLAN

- You pay an additional premium every month.
- Medicare Supplement plans help you pay for medical expenses not covered by Original Medicare.

### YOU CAN ALSO ADD:

#### PRESCRIPTION DRUG PLAN (PART D)

- You may need to pay another monthly premium.
- Offered by private insurance companies.

## The advantage is clear.

A Medicare Advantage plan can be more convenient and may save you money while streamlining your monthly premiums. Plus, you get added benefits that can help you be the healthiest you.

	CORE	ENHANCED
	RETAIL PHARMACY COPAY FOR 30-DAY SUPPLY	
Tier 1—Preferred Generic	\$7	\$5
Tier 2—Generic	\$20	\$15
Tier 3—Preferred Brand	\$47	\$47
Tier 4—Non-Preferred Drug	\$100	\$100
Tier 5—Specialty	33% of the total cost	33% of the total cost

Tier 1—Preferred Generic	25% of the cost	\$5 or 25% of the cost, whichever is lower
--------------------------	-----------------	--

*Tiers 2-5 will be covered at 25% of the total cost in the coverage gap. For more plan details, see the Summary of Benefits on page 25.*

## SAVE WITH MAIL ORDER

Sign up for a 90-day supply by mail and you’ll only pay the cost of a 60-day supply! It’s easy and convenient—you can refill prescriptions online, by phone or email. You can even consult with a pharmacist.

**90%** of people in the CareFirst service area live **within two miles** of a participating pharmacy.

With any Medicare Part D plan, what you'll pay depends on a few things.

### **ARE YOUR PRESCRIPTION DRUGS IN CAREFIRST'S FORMULARY?**

A formulary is a list of drugs covered by our plans. Your prescription must be included in our formulary to be covered, except in certain limited circumstances. Search our formulary at [carefirst.com/medicareadvantage](https://carefirst.com/medicareadvantage). Or, call us at 833-473-0394 and ask for a paper copy.

### **WHAT TIER IS YOUR DRUG ON?**

Drugs are categorized into one of five "tiers" or levels. Search our formulary to find out what tier your drugs are on. Typically, the lower the tier, the lower the cost. For convenience, we have included a list of the top 100 prescribed drugs for Original Medicare Enrollees in the State of Maryland on page 21.

### **WHICH PHARMACIES ARE IN THE CAREFIRST NETWORK?**

You'll have access to over 65,000 independent pharmacies and major chains nationwide, including CVS, Walmart, Walgreens, Rite Aid, Safeway, Costco, Kroger, Harris Teeter, Giant and more.

### **WHAT STAGE OF THE PRESCRIPTION DRUG CYCLE ARE YOU IN?**

The federal government created four stages and each year sets a dollar limit for each stage. When you change stages, the amount you pay changes too. A new cycle begins on January 1st each year.

#### **■ Stage 1—Deductible**

Since our plans both have a \$0 deductible, you'll skip this stage.

#### **■ Stage 2—Initial coverage limit**

You'll pay copays and/or coinsurance for covered drugs until your total drug costs, plus the plan's payments, exceed \$4,430 in 2022.

#### **■ Stage 3—Coverage gap, also known as the donut hole**

The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$4,430 in 2022.

During the coverage gap, you'll pay 25% of the plan's cost for covered brand name and generic drugs with our Core plan. Enhanced plan members entering the coverage gap stage (donut hole) will pay the copay listed for Tier 1—Preferred Generic drugs, or 25% of the plan's cost of the drug, whichever is the lowest, while in the coverage gap stage.

#### **■ Stage 4—Catastrophic coverage**

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$7,050 in 2022, you'll pay the greater of: 5% coinsurance, or \$3.95 copay for generic (including brand name drugs treated as generic) and an \$9.85 copay for all other drugs.

This document summarizes the benefits of our plans and what you can expect to pay when you seek care. Every plan is required to create a Summary of Benefits document (like the one you're reading now). For additional information, including a complete list of benefits, call us and request an "Evidence of Coverage" document or find a copy online at [carefirst.com/medicareadvantage](https://carefirst.com/medicareadvantage).

### Who is eligible for our plans?

Anyone qualified for Medicare Part A, enrolled in Medicare Part B and living in our service area. The CareFirst BlueCross BlueShield Medicare Advantage service area includes the following counties in Maryland: Anne Arundel, Baltimore, Baltimore City, Carroll, Frederick, Harford, Howard, Montgomery and Prince George's.

### Understanding your options

Medicare benefits are available through Original Medicare, which is run by the Federal government. Another option is to enroll in Medicare benefits through a Medicare Advantage health plan with CareFirst BlueCross BlueShield Medicare Advantage.

A Medicare Plan Finder tool is available at [medicare.gov](https://medicare.gov). Additionally, you can view the free "Medicare & You" handbook at that same website. Printed handbooks are available by request—for your copy, call 1-800 MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users can call 1-877-486-2048.

### Pharmacy

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. You can see our plan's provider and pharmacy directory on our website ([carefirst.com/medicareadvantage](https://carefirst.com/medicareadvantage)). Or, call us and we will send you a copy of the provider and pharmacy directories.

### Provider Networks

CareFirst BlueCross BlueShield Medicare Advantage members are generally not covered for out-of-network services except for emergent or urgent situations, dialysis, and other special circumstances approved in advance by the plan. Please call our member services number or see your Evidence of Coverage for more information.

Referrals may be required for specialty care only.

## Medicare Part D Drugs

<b>Initial Coverage Stage</b>	<p>You pay the copays in the tables below until your total yearly drug costs reach \$4,430 in 2022. Total yearly drug costs are the total drug costs paid by both you and our Part D plan. You may get your drugs at network retail pharmacies, specialty pharmacies and mail order pharmacies. Cost-sharing is based upon the Tier the drug is on and when you enter another phase of the Part D benefit. For more information on the additional pharmacy-specific cost-sharing and the phases of the benefit, please call us or access our Evidence of Coverage booklet.</p> <p>Prescription drugs cost-sharing tier descriptions:</p> <ul style="list-style-type: none"> <li>■ Tier 1—Preferred Generics provide the lowest cost-share</li> <li>■ Tier 2—Generics include a higher cost-share than Tier 1</li> <li>■ Tier 3—Preferred Brands include a mid-level cost-share</li> <li>■ Tier 4—Non-Preferred Drugs include a cost-share higher than Tier 3</li> <li>■ Tier 5—Specialty drugs include the highest cost-share</li> </ul>
<b>Coverage Gap</b>	<p>Most Medicare drug plans have a coverage gap (also called the “donut hole”). This means that there’s a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$4,430 in 2022. After you enter the coverage gap, you pay 25% of the plan’s cost for covered brand name drugs and 25% of the plan’s cost for covered generic drugs until your costs total \$7,050 which is the end of the coverage gap.</p>
<b>Catastrophic Coverage</b>	<p>After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy, specialty pharmacies and through mail order) reach \$7,050.00 in 2022 you pay the greater of: 5% coinsurance, or \$3.95 copay for generic (including brand drugs treated as generic) and a \$9.85 copay for all other drugs.</p>
<b>Long term care facility resident coverage</b>	<p>If you live in a long term care facility and get your drugs from their pharmacy, you pay the same as copays as a 30-day retail pharmacy prescriptions for both Core and Enhanced plans.</p>

---

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 855-290-5744 TTY: (711).

## Understanding the benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit [carefirst.com/medicare](https://carefirst.com/medicare) or call 855-290-5744 TTY: (711) to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

## Understanding important rules

- ☐ In addition to your monthly plan premium you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2023.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

**SECTION 3—PAYING YOUR PLAN PREMIUM**

You can pay your monthly plan premium (including any late enrollment penalty that you currently have or may owe) by mail or Electronic Funds Transfer (EFT) each month. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board (RRB) benefit check each month.

If you are assessed a Part D-Income Related Monthly Adjustment Amount, you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security benefit check or be billed directly by Medicare or RRB. DO NOT pay CareFirst BlueCross BlueShield Medicare Advantage the Part D-IRMAA.

People with limited incomes may qualify for **Extra Help** to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this **Extra Help**, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for **Extra Help** online at [www.socialsecurity.gov/prescriptionhelp](https://www.socialsecurity.gov/prescriptionhelp).

If you qualify for **Extra Help** with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.

If you don't select a payment option, you will get a bill each month.

**Please select a premium payment option:**

- ☐ Get a bill by mail
- ☐ Electronic funds transfer (EFT) from your bank account each month. Please enclose a VOIDED check or provide the following:

Account holder name:	Bank routing number:
Bank account number:	Account type: <input type="radio"/> Checking <input type="radio"/> Saving

- ☐ Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check.

I get monthly benefits from: ☐ Social Security ☐ RRB

(The Social Security/RRB deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.)
