Metal levels

To make comparing different plans easier, the Affordable Care Act (ACA) requires that every plan fit into one of four categories called metal levels.*

Bronze, Silver, Gold and Platinum plans all cover the same core benefits. However, each level differs in how much your plan will pay towards your care. Different plans have different monthly premiums and varying out-of-pocket costs, such as copayments, deductibles and coinsurance for covered services.

	 Platinum	 Gold	 Silver	 Bronze
Monthly cost	\$\$\$\$	\$\$\$	\$\$	\$
Cost when you get care	\$	\$\$	\$\$\$	\$\$\$\$
Good option if you...	plan to use a lot of health care services	want to save on monthly premiums while keeping your out-of-pocket costs low	need to balance your monthly premium with your out-of-pocket costs	don't plan to need a lot of healthcare services

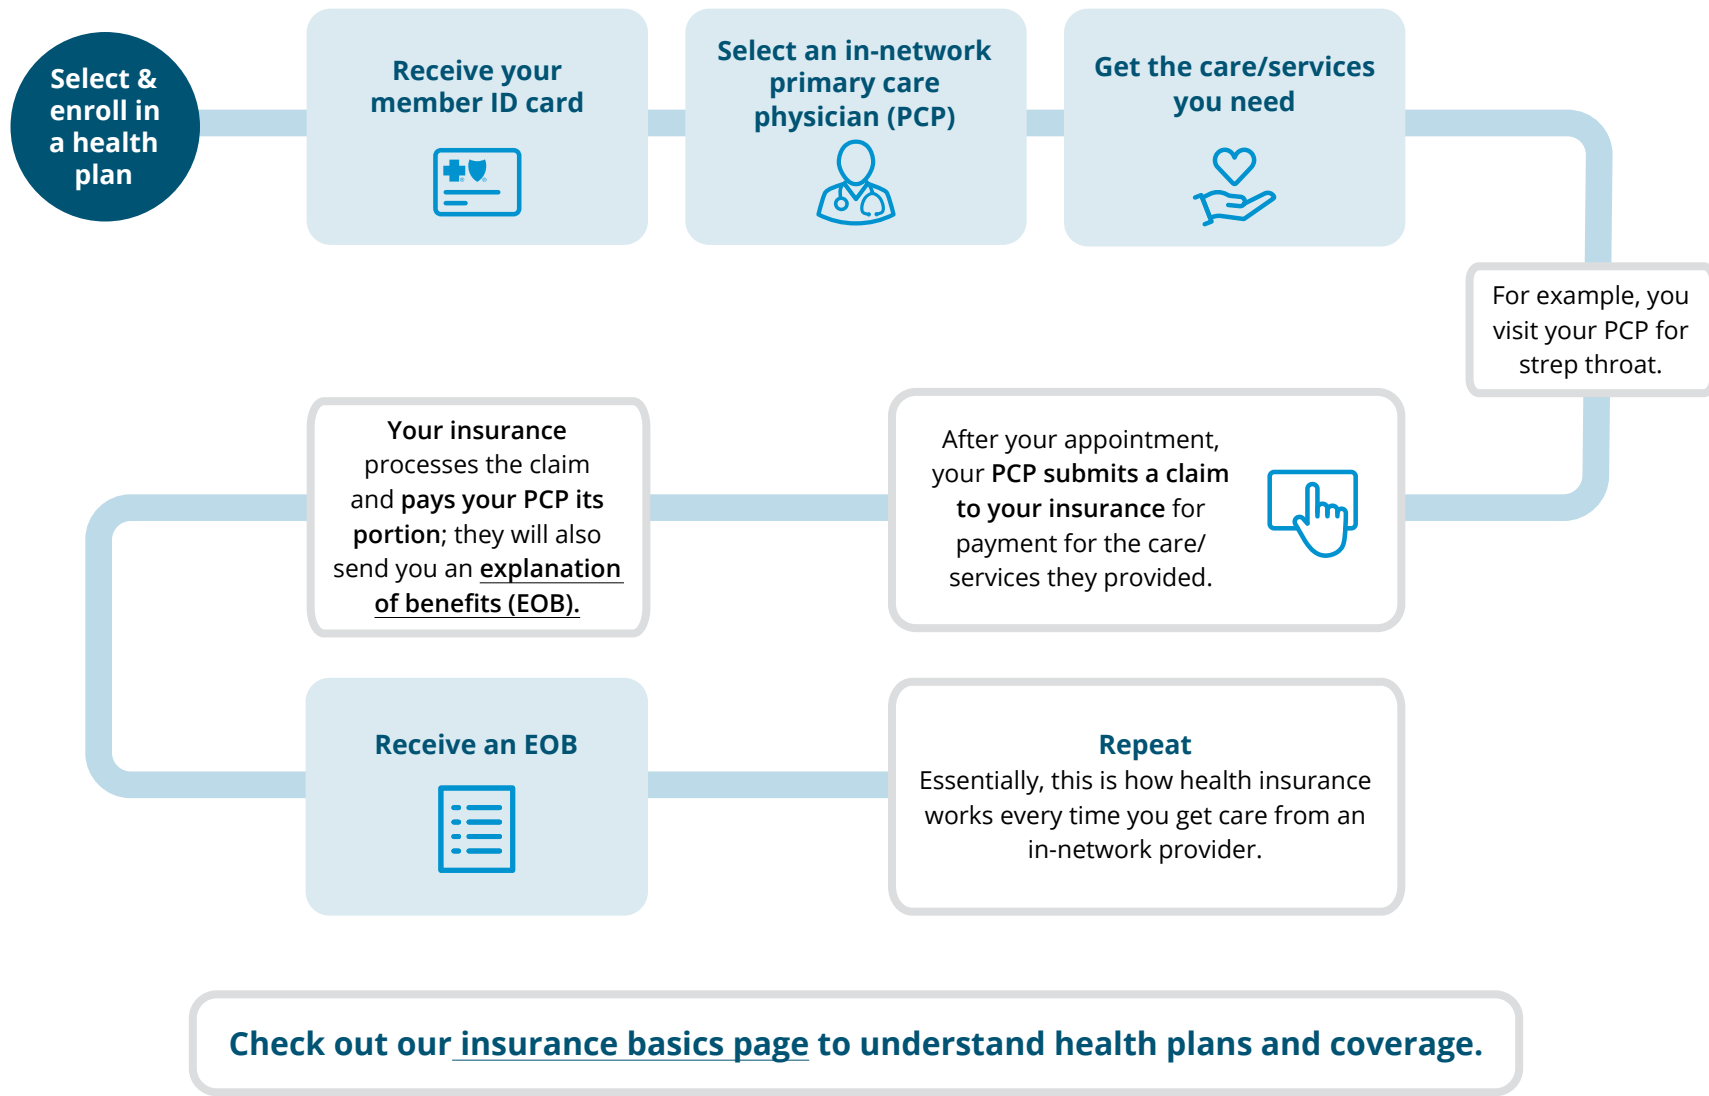

Have questions about an individual or family plan? Visit our [Contact Us](#) page to find out how to connect with a CareFirst representative.

* Catastrophic plans, like CareFirst's BlueChoice Young Adult Plan, are not included in one of the four metal levels.

How health insurance works

When deciding which health plan is right for you, knowing how health insurance works can help.

Guide to key terms

Allowed benefit (also called the CareFirst member cost)

The maximum amount in-network providers can charge CareFirst members for a specific service.

Balance billing

Out-of-network providers can charge more for their services. If a patient sees an out-of-network provider, they may be responsible for paying the difference between the provider's price (actual charge) and the maximum amount CareFirst will pay (allowed amount or allowed benefit).

Cost sharing

The portion of the healthcare costs your plan doesn't pay is your share. Generally, the more costs you're willing to pay, the lower your premiums. Cost sharing is different from your premium—it includes three things:

1. **Deductible:** Depending on your plan, you'll need to pay for some services on your own until you reach your deductible. Then your plan starts helping with the cost of your care.
2. **Coinsurance:** The percentage or dollar amount you pay when services are received. Depending on your plan, you may need to reach your deductible before paying the coinsurance amount.
3. **Copayment/Copay:** The dollar amount you pay when services are received. A visit to a primary care physician might require a copay of \$10, a visit to a specialist \$20 and a prescription \$20.

In-network

Doctors, hospitals, labs and other providers or facilities that participate in the health plan's provider network. Many plans encourage members to use participating in-network providers to reduce out-of-pocket expenses.

Out-of-network

Doctors, hospitals, labs and other providers or facilities that DO NOT participate in your health plan's provider network.

- HMO members are generally not covered for out-of-network services except in emergency situations.
- Members enrolled in Preferred Provider Organizations (PPO) and Point of Service (POS) plans can go out of network but may pay higher out-of-pocket costs.

Out-of-pocket maximum

The maximum dollar amount a member will pay out-of-pocket in coinsurance, copays and/or deductibles in a benefit period for covered services. Once the out-of-pocket maximum is met, your CareFirst plan pays 100% of the allowed amount for covered services for the rest of the benefit period.

Premium

The amount you pay each month for health insurance coverage. Premiums do not count toward deductibles or out-of-pocket maximums.

Primary care provider (PCP)

A provider you select who is part of your plan network, provides routine care and coordinates other specialized care.

- The PCP should be selected from the network that corresponds to the plan in which you are a member.
- The physician you choose as your PCP may be a family or general practitioner, internist or pediatrician.
- If you prefer, you may also choose CloseKnit, our virtual-first primary care practice, as your PCP.

Service area

The geographic area in which a health plan delivers healthcare through a contracted network of participating (in-network) providers. CareFirst's service area covers Maryland, Washington D.C. and Northern Virginia.

CareFirst plan**

Core healthcare services

Depending on your CareFirst plan, the healthcare services listed below are available at low or no cost.

Hospital stays (with prior authorization): Your CareFirst medical plan will cover inpatient stays in a hospital. Make sure you get prior authorization from your provider.

Labs, X-rays, imaging: Covered services include provider-ordered lab tests, X-ray and other specialty imaging tests (MRI, CT scan, PET scan, etc.).

Maternity: You are covered for doctor visits before and after your baby is born, including hospital stays. If needed, we also cover home visits after the baby's birth.

Mental health and substance use disorder: Your coverage includes behavioral health treatment, such as psychotherapy and counseling, mental and behavioral health inpatient services and substance use disorder treatment.

Prescriptions: Many health issues are managed through medication, so CareFirst provides a safe, convenient, cost-effective prescription drug plan.

Preventive screenings: Your plan includes coverage for screenings, such as adult physicals, blood pressure and cholesterol screenings, OB/GYN visits, mammograms, prostate and colorectal screenings.

Sick visits: Coverage for in-person or virtual visits with your PCP. Also included are visits to Convenience Care facilities.

Specialist services: Specialist providers are included in your plan. The BlueChoice HMO plan is the only medical plan where you will need a referral from your PCP before you visit a specialist. Specialists are doctors or nurses highly trained to treat certain conditions, such as cardiologists or dermatologists.

Well-child visits: All well-child visits and immunizations (vaccines) are covered.

Your plan may include other benefits, such as Health Savings/Reimbursement Account, Dental and other Vision plans. Ask your benefits manager for details.

CareFirst WellBeing

CareFirst WellBeing is your personalized digital connection that offers motivating resources accessible anytime, plus specialized programs for extra support—at no cost to you.

Your health and well-being is not a single statistic or one-and-done goal. It's a product of everything in your daily life—family, friends, relationships, responsibilities, stressors, habits and more.

CareFirst WellBeing is here to help you navigate it all.

Our web- and app-based platform connects you to resources and programs designed to support your overall well-being—physical, emotional, social and financial.

Digital resources to keep you motivated

RealAge®: Age is nothing but a number. But your RealAge can tell you a whole lot about your overall health. Take the assessment to learn your body's RealAge and steps you can take to a healthier life.

Challenges: Stay motivated by joining a challenge to make achieving your health goals more entertaining.

Trackers: Connect your wearable devices or enter your own data to monitor daily habits like sleep, steps, nutrition and more.

A personalized health timeline: Receive content based on your health and well-being goals, along with your motivation and interests.

Meditation, relaxation and more: Break free from stress with mindfulness tools, unwind at the end of the day or ease into a restful sleep with meditation, streaming music and videos—explore your options through CareFirst WellBeing and begin recharging yourself for better health.

To get started, download the CareFirst WellBeing app from your favorite app store.

This well-being program is administered by Sharecare, Inc., an independent company that provides health improvement management services to CareFirst members. Sharecare, Inc. does not provide CareFirst BlueCross BlueShield products or services and is solely responsible for the health improvement management services it provides.

Financial well-being

Whether you want to stop living paycheck to paycheck, get out of debt or send a child to college, our financial well-being program, SmartDollar, can help. With engaging videos, expert tips, easy-to-use tools and a step-by-step plan to help you reach your financial goals—you'll learn how to have better control over your money to make it work harder for you.

Tobacco cessation

Our voluntary and confidential 21-day program, Craving to Quit, teaches you how to recognize and avoid tobacco cravings and habits. Using the science of behavior change, the program provides the support you need to make quitting easier, including digital coaching, peer-to-peer support and access to daily mindfulness activities and online tools.

To access these resources and enroll in any of the specialized programs, download the CareFirst WellBeing app or visit carefirst.com/wellbeing to log in or register for your account.

Blue Rewards

Earn incentives for taking steps to get and stay healthy.

Both you and your spouse or domestic partner can each earn rewards for completing the following healthy activities. **Dependents, regardless of age, are not eligible for Blue Rewards.** After you complete one or both of the activities, you'll receive your reward in the form of reimbursement of your copays, coinsurance or deductible expenses up to the amount earned.

Your reward funds will be added to your Blue Rewards account where they will automatically be used to pay your eligible medical expenses through Autopay. You or your provider will be paid directly, with no effort on your part.

Learn more about the activities

RealAge

RealAge identifies the habits impacting your body's age so you can make targeted changes to improve your well-being.

Choosing a PCP

Even if you are young and healthy, or don't visit the doctor often, choosing a PCP is key to maintaining good health. PCPs play a huge role in keeping you healthy for the long run by helping you stay on top of preventive care like annual exams, coordinating the care you receive from other providers, and getting to know you, your medical history, your habits and any concerns.

Health screening

Health screenings help you understand your current health status, so you can take steps to improve it.

Behavioral health and addiction support

As a CareFirst member, you have 24/7 access to a range of programs for depression, anxiety, drug or alcohol dependencies and other mental health conditions, including:

CloseKnit (closeknithealth.com): Our leading virtual-care practice offers an integrated experience between primary and behavioral healthcare. CloseKnit providers can assess behavioral health needs to help you connect with therapists and psychiatrists.

Behavioral Health Digital Resource*: Accessed through My Account (carefirst.com/myaccount), the Behavioral Health Digital Resource lets you chat with trained listeners, pursue personalized growth paths, and join a supportive community with moderated discussion boards and chat rooms. Registered users can complete behavioral health assessments, engage with CareFirst care managers and access other tools to help them in their daily lives.

This program is free to members; no clinical diagnosis or provider referral is required.

Provider network: CareFirst makes it easy to find and access services covered by individual medical plans. You can view real-time provider availability, see cost share up front and schedule appointments online (via headway.co) or use our provider directory tool for a broader search.

Care navigation: A Behavioral Health Care Manager gives you a chance to be heard and can help you find a path forward. This service is available to everyone; call the CareFirst Support Line at **800-245-7013** for assistance.

LGBTQ+ members can contact our dedicated gender services specialist at gender.services@carefirst.com for help navigating care and understanding benefits.

Substance use disorder support: CareFirst offers 24/7 clinical counseling and direct scheduling (within 48 hours) for adolescents and adults to improve access to substance use disorder treatment. Call the CareFirst Support Line at **800-245-7013** for assistance.

*Available through December 31, 2025.

Pediatric dental

Coverage for your children under the age of 19 at no extra charge.

The health of your child's teeth also has a major impact on digestion, growth rate and many other aspects of overall health. That's why all CareFirst medical plans provide kids under age 19 with dental benefits at no extra charge. Choose from more than 4,500 dental providers in Maryland, Washington, D.C. and Northern VA and 135,000 dentists nationally.

Visit carefirst.com/doctor and select the Preferred Dental (PPO & Pediatrics) network to access our provider directory.

	In-Network You Pay	Out-of-Network You Pay
Individual Cost Per Pay	Included in your medical plan premium—no additional monthly charge	
Deductible	\$25 Individual per calendar year (Applies to Classes II, III & IV)	\$50 Individual per calendar year (Applies to Classes II, III & IV)

Orthodontic Services (Class V) When medically necessary	50% of Allowed Benefit* (no deductible)	65% of Allowed Benefit* (no deductible)

Not all services and procedures are covered by your benefits contract. This plan summary is for comparison purposes only and does not create rights not given through the benefit plan.

* CareFirst BlueCross BlueShield and CareFirst BlueChoice, Inc. (CareFirst) payments are based upon the CareFirst allowed benefit. Participating dentists accept 100% of the CareFirst allowed benefits as payment in full for covered services. Non-participating dentists may bill the member for any amount over the allowed benefit. Providers are not required to accept CareFirst's allowed benefits on non-covered services. This means you may have to pay your dentist's entire billed amount for these non-covered services. At your dentist's discretion, they may choose to accept the CareFirst allowed benefit, but are not required to do so. Please talk with your dentist about your cost for any dental services.

Pediatric vision

These important vision benefits are offered to your family members up to age 19 through our network administrator—Davis Vision*—at no extra charge.

Our pediatric vision benefits include:**

- One no-charge in-network eye exam per calendar year, or up to \$40 reimbursement for an out-of-network exam per calendar year
- No copay for Davis Vision collection frames and basic spectacle lenses or contact lenses (in network)
- Reimbursement for single vision lenses, up to \$40, and frames, up to \$70, from an out-of-network provider

For a routine eye exam, just call and make an appointment with one of the many Davis Vision providers. Remember, the pediatric vision benefits listed above are available to your family members up to age 19 for no additional charge to your monthly premium.

To locate a vision care provider, contact Davis Vision at **800-783-5602**.

Or visit carefirst.com/doctor and select *BlueVision*, *BlueVision Plus*, *Pediatric Vision* (Davis Vision) network to access our provider directory.

**Save on pediatric vision by staying in network.
Use the Davis Vision Network when seeking care
for your dependents under age 19.**

* CareFirst partners with Davis Vision to offer an extensive national network of optometrists, ophthalmologists and opticians. Davis Vision is an independent company that provides administrative services for vision care to CareFirst BlueCross BlueShield and CareFirst BlueChoice, Inc. (CareFirst) members. Davis Vision is solely responsible for the services it provides.

** Please note: In accordance with the provisions of the Affordable Care Act (ACA), every CareFirst plan includes basic dental coverage and vision benefits for children up to age 19.

Treatment Cost Estimator

Quickly estimate your costs for medical treatments and procedures beforehand.

Our Treatment Cost Estimator shows you what you'll pay for procedures, doctor's office visits, lab tests and surgery beforehand, so you can plan ahead and avoid surprises. With it, you can compare costs from different doctors and facilities and receive personalized estimates based on your plan.

Care Management program

Whether you're facing a temporary setback or a long-term health condition, our care managers are here to help.

Sometimes, we all need a little extra support with our health.

If you're facing health challenges, including cancer, heart failure, diabetes, at-risk pregnancy or a behavioral health condition—our Care Management team can help reduce the frustration of complex care and get you back to your optimal health.

Care Management is a benefit included in your CareFirst plan. When you agree to participate, a care manager will:

- Call you for an initial review of your medical history to identify the factors that may affect your health.
- Review your progress and answer any of your questions.
- Provide support during your time of need.
- Provide you with information and self-care tips related to your condition.
- Assist with identifying community resources and support groups available to you.

Work closely with your healthcare team to coordinate the services you need. Your care manager is a key source of support. They work closely with you to understand your goals and design a plan to take control of your health.

To learn more, visit carefirst.com/1on1support or call 833-536-2004.

Care outside the service area

Find doctors, hospitals and specialists to help you stay safe and healthy around the country and the globe.

BlueCard

If you choose a PPO or Advantage CareFirst plan, you are automatically enrolled in the BlueCard program. BlueCard gives you the peace of mind that you'll always have the care you need when you're away from home, outside our service area.

More than 91% of all doctors, specialists and hospitals throughout the United States contract with Blue Cross Blue Shield Association plans. With your CareFirst member ID card, you can access providers and hospitals almost anywhere.

Within the United States

- Always carry your current member ID card for easy reference and access to services.
- To find names and addresses of nearby providers and hospitals, visit [carefirst.com/doctor](https://www.carefirst.com/doctor) or call BlueCard Access at 800-810-BLUE (2583).
- Call Member Services for precertification or prior authorization, if necessary. Refer to the phone number on your member ID card because it's different from the BlueCard Access number.
- Present your member ID card at the participating provider's office.
- You should not have to complete any claim forms or pay upfront for medical services other than the usual out-of-pocket expenses. CareFirst will send you a complete Explanation of Benefits (EOB).

With your CareFirst member ID card, you can access providers and hospitals almost anywhere.

Blue Cross Blue Shield Global Core

Just like your passport, you should always carry your CareFirst member ID card when traveling outside the United States. Our Global Core program—**included in every CareFirst plan**—ensures you can get medical assistance services and access to providers, hospitals and other healthcare professionals in nearly 200 countries.

The process is the same as if you were in the United States, with the following exceptions:

- In most cases, you shouldn't have to pay upfront for inpatient care at Global Core hospitals; the hospital should submit your claim. You are responsible for the usual out-of-pocket expenses.
- At non-Global Core hospitals, you pay the provider or hospital for inpatient care, outpatient hospital care and other medical services. To be reimbursed, you'll need to complete an international claim form and send it to the Global Core Service Center. The claim form is available online at [bcbsglobalcore.com](https://www.bcbsglobalcore.com).
- To find a BlueCard provider outside the United States, visit [bcbs.com](https://www.bcbs.com), select *Find a Doctor*.

Medical assistance when outside the United States

Call 800-810-BLUE (2583) for information on doctors, hospitals and other healthcare professionals or to receive medical assistance services. A medical assistance vendor, in conjunction with a medical professional, will make an appointment with a provider or arrange hospitalization if necessary.

Blue Cross Blue Shield Global Core mobile app

With the Global Core mobile app, you have help in the palm of your hand and convenient access to doctors, hospitals and resources worldwide. At a glance, you can find doctors, translate medical terms and access local emergency information. To learn more, visit [bcbsglobalcore.com/Home/MobileApp](https://www.bcbsglobalcore.com/Home/MobileApp).

Managing your healthcare plan

Understanding your member ID card

Your member ID card identifies you as a CareFirst member and shows important information about you and your covered benefits.

Each family member on your plan should have a card—like the example shown here—with their name on it. Make sure to always present your ID card when receiving services. If you don't have your physical card, you can view it on your smartphone through My Account.

This graphic shows the most requested information when you receive care. **In addition, you will find important telephone numbers on the back.**

Make sure the information on your card is correct. If there is an error, call Member Services at the number on the back of your member ID card.

Understanding your Explanation of Benefits (EOB)

Your Explanation of Benefits is a statement you receive from CareFirst after you receive medical care. It is not a bill. It summarizes the charges and payments related to your care, including the amount you may owe. If you owe anything, your doctor and healthcare providers will send you a bill.

Reviewing your EOBs can help you better understand how your CareFirst plan covers the services you receive.

- 1 **Total Provider Charges**—the amount you would pay if you didn't have medical insurance
- 2 **Allowed Charges**—the total price that CareFirst has negotiated for a covered service from in-network providers
- 3 **CareFirst Member Discount**—the amount you saved just by being a CareFirst member
- 4 **The Amount You May Owe**—the expected amount your doctor or other healthcare provider will bill you
- 5 **Deductible Tracker**—not all EOBs include this bar graph, but if your EOB does, it can help you quickly see how much you've spent toward your annual deductible

For an interactive tour on how to read your EOB—including how to access yours online—visit carefirst.com/eob.

Prescription drug coverage

Taking medications as prescribed by your doctor is essential to staying or getting healthy.

Online tools and resources

To get the most from your prescription drug plan, it's important to stay informed. Our easy-to-use, interactive tools and resources are available 24/7.

- To see if a drug is covered, find a pharmacy and get more information about medications, visit carefirst.com/rx then click *Drug Tools* on the left navigation.
- **Via a browser or the app**—log in to My Account and click *Drug & Pharmacy Resources* from the quick links.

Two ways to fill prescriptions

Retail pharmacies

With access to 66,000 pharmacies across the country, you can use our **Find a Pharmacy** tool to locate a convenient participating pharmacy. Be sure to take your prescription and member ID card when filling prescriptions.

Mail order pharmacy

Mail order is a convenient way to fill your prescriptions, especially for refilling drugs taken frequently. You can register online through **My Account**. Once you register, you'll be able to:

- Fill prescriptions online, by phone or by mail
- Select your delivery location
- Consult a pharmacist by phone 24/7
- Schedule automatic refills
- Receive email notification of order status

Watch a **video** on how to fill your prescriptions via local pharmacy or mail order.

Ways to save

Here are some ways to help you save on your prescription drug costs.

- **Use generic drugs**—Generic drugs can cost up to 80% less than their brand-name counterparts. Made with the same active ingredients as their brand-name counterparts, generics are also equivalent in dosage, safety, strength, quality, performance and intended use.
- **Use drugs on the Preferred Drug List**—The Preferred Drug List identifies generic and preferred brand drugs that may save you money.
- **Use the Drug Pricing Tool**—This tool allows you to compare the cost of a drug purchased at a pharmacy versus purchasing the same drug through mail order, as well as view generic drugs available at a lower cost.
- **Use mail order**—Using our Mail Order Pharmacy gives you the added convenience of having your prescriptions delivered right to your home. Plus, if you pay a coinsurance for your maintenance drugs, the overall cost of the drug may be less expensive through mail order, reducing your out-of-pocket costs.

Lower prices for non-specialty generic drugs

As a CareFirst member, you get automatic access to discounted pricing, when available, for non-specialty generic drugs through GoodRx.* Your cost share is applied to your deductibles (if applicable) and out-of-pocket maximums. To start saving, you only need to show your CareFirst member ID card.

*GoodRx is an independent company providing prescription discounts to CareFirst BlueCross BlueShield members. Subject to and may be impacted by certain state regulations.

Understanding your formulary

A formulary (or drug list) is a list of covered prescription drugs. Our drug list is reviewed and approved by an independent national committee comprised of physicians, pharmacists and other healthcare professionals who ensure the drugs on the formulary are safe and clinically effective.

The prescription drugs found on the CareFirst formulary are divided into tiers. These tiers include zero-dollar cost share, generics, preferred brand, non-preferred brand, preferred specialty, and non-preferred specialty drugs. Your cost share is determined by the tier the drug falls into.

Please note: If the cost of your drug is less than your copay or coinsurance, you only pay the cost of the drug. Once you meet your deductible (if applicable to your plan), you may pay a different copay or coinsurance for drugs depending on the drug tier. Some drugs may not be covered based on your plan. There is an exception process if you need an excluded drug to be covered for medical necessity reasons. Check your benefits summary or enrollment materials for specific plan information. You can also view specific cost-share information in My Account.

Preferred Drug List

CareFirst's Preferred Drug List includes generic and preferred brand drugs selected for their quality, effectiveness and safety by our pharmacy benefit manager's national Pharmacy and Therapeutics (P&T) committee. By using the Preferred Drug List, you can work with your doctor or pharmacist to make safe and cost-effective decisions to better manage your healthcare and out-of-pocket costs. Non-preferred drugs aren't included on the Preferred Drug List; they are still covered but at the highest cost share. Also, some drugs on the Preferred Drug List may not be covered based on your plan. Watch a [video](#) about our Preferred Drug List. To see your formulary and Preferred Drug List, go to carefirst.com/rx.

Drug Tiers	Description
Tier 0: \$0 Drugs	Preventive drugs (e.g., statins, aspirin, folic acid, fluoride, iron supplements, smoking cessation products and FDA-approved contraceptives for women) are available at a zero-dollar cost share if prescribed under certain medical criteria by your doctor. Oral chemotherapy drugs, opioid overdose reversal agents and diabetic supplies (e.g. insulin syringes, pen needles, lancets, test strips, and alcohol swabs) are also available at a zero-dollar cost share. Deductible may apply.
Tier 1: Generic Drugs \$	Generic drugs are the same as brand-name drugs in dosage form, safety, strength, route of administration, quality, performance characteristics and intended use. Generic drugs generally cost less than brand-name drugs.
Tier 2: Preferred Brand Drugs \$\$	Preferred brand drugs are brand-name drugs that may not be available in generic form but are chosen for their cost effectiveness compared to alternatives. Your cost share will be more than generics but less than non-preferred brand drugs. If a generic drug becomes available, the preferred brand drug may be moved to the non-preferred brand category.
Tier 3: Non-Preferred Brand Drugs \$\$\$	Non-preferred brand drugs often have a generic or preferred brand drug option where your cost share will be lower.
Tier 4: Preferred Specialty Drugs \$\$\$\$	Preferred specialty brand drugs are specialty brand-name drugs that may not be available in generic form but are chosen for their cost effectiveness compared to alternatives. Your cost-share will be more than generics but less than non-preferred specialty brand drugs. If a generic drug becomes available, the preferred specialty brand drug may be moved to the non-preferred specialty brand category.
Tier 5: Non-Preferred Specialty Drugs \$\$\$\$\$	Non-preferred specialty drugs often have a preferred or generic specialty drug option where your cost share will be lower.

Rights and Responsibilities

Notice of privacy practices

CareFirst BlueCross BlueShield and CareFirst BlueChoice, Inc. (collectively, CareFirst) are committed to keeping the confidential information of members private. Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA), we are required to send our Notice of Privacy Practices to members of fully insured groups only. The notice outlines the uses and disclosures of protected health information, the individual's rights and CareFirst's responsibility for protecting the member's health information.

To obtain a copy of our Notice of Privacy Practices, go to [carefirst.com](https://www.carefirst.com) and click on *Privacy Statement* at the bottom of the page, click on *Health Information* then click on *Notice of Privacy Practices*. Or call the Member Services telephone number on your member ID card. Members of self-insured groups should contact their Human Resources department for a copy of their Notice of Privacy Practices. If you don't know whether your employer is self insured, please contact your Human Resources department.

Member satisfaction

CareFirst wants to hear your concerns and/or complaints so that they may be resolved. We have procedures that address medical and non-medical issues. If a situation should occur for which there is any question or difficulty, here's what you can do:

1. If your comment or concern is regarding the quality of service received from a CareFirst representative or related to administrative problems (e.g., enrollment, claims, bills, etc.) you should contact Member Services. If you send your comments to us in writing, please include your member ID number and provide us with as much detail as possible regarding any events. Please include your daytime telephone number so that we may contact you directly if we need additional information.
2. If your concern or complaint is about the quality of care or quality of service received from a specific provider, contact Member Services. A representative will record your concerns and may request a written summary of the issues. To write to us directly with a quality of care or service concern, you can send an email to: quality.care.complaints@carefirst.com

3. Fax a written complaint to: **301-470-5866**

4. Write to: CareFirst BlueCross BlueShield Quality of Care Department, P.O. Box 17636, Baltimore, MD 21297

If you send your comments to us in writing, please include your member ID number and provide us with as much detail as possible regarding the event or incident. Please include your daytime telephone number so that we may contact you directly if we need additional information. Our Quality of Care Department will investigate your concerns, share those issues with the provider involved and request a response. We will then provide you with a summary of our findings. CareFirst member complaints are retained in our provider files and are reviewed when providers are considered for continuing participation with CareFirst.

These procedures are also outlined in your Evidence of Coverage.

For assistance in resolving a billing or payment dispute with the health plan or a healthcare provider, contact the Health Education and Advocacy Unit of the Consumer Protection Division of the Office of the Attorney General at **877-261-8807**.

Hearing impaired

To contact a Member Services representative, please choose the appropriate hearing impaired assistance number below, based on the region in which your coverage originates.

Maryland Relay Program: **800-735-2258**; National Capital Area TTY: **202-479-3546**. Please have your Member Services number ready.

Language assistance

Interpreter services are available through Member Services. When calling Member Services, inform the representative that you need language assistance.

Please note: CareFirst appreciates the opportunity to improve the level of quality of care and services available for you. As a member, you will not be subject to disenrollment or otherwise penalized as a result of filing a complaint or appeal.

Confidentiality of subscriber/member information

All health plans and providers must provide information to members and patients regarding how their information is protected. You will receive a Notice of Privacy Practices from CareFirst or your health plan, and from your providers as well, when you visit their office.

CareFirst has policies and procedures in place to protect the confidentiality of member information. Your confidential information includes Protected Health Information (PHI), whether oral, written or electronic, and other nonpublic financial information. Because we are responsible for your insurance coverage, making sure your claims are paid, and that you can obtain any important services related to your healthcare, we are permitted to use and disclose (give out) your information for these purposes. Sometimes we are even required by law to disclose your information in certain situations. You also have certain rights to your own protected health information on your behalf.

Our responsibilities

We are required by law to maintain the privacy of your PHI, and to have appropriate procedures in place to do so. In accordance with the federal and state Privacy laws, we have the right to use and disclose your PHI for treatment, payment activities and healthcare operations as explained in the Notice of Privacy Practices. We may disclose your protected health information to the plan sponsor/employer to perform plan administration function. The Notice is sent to all policyholders upon enrollment.

Your rights

You have the following rights regarding your own protected health information. You have the right to:

1. Request that we restrict the PHI we use or disclose about you for payment or healthcare operations.
2. Request that we communicate with you regarding your information in an alternative manner or at an alternative location if you believe that a disclosure of all or part of your PHI may endanger you.
3. Inspect and copy your PHI that is contained in a designated record set including your medical record.
4. Request that we amend your information if you believe that your PHI is incorrect or incomplete.
5. An accounting of certain disclosures of your PHI that are for some reasons other than treatment, payment, or healthcare operations.

6. Give us written authorization to use your protected health information or to disclose it to anyone for any purpose not listed in this notice.

Inquiries and complaints

If you have a privacy-related inquiry, please contact the CareFirst Privacy Office at **800-853-9236** or send an email to privacy.office@carefirst.com.

Members' rights and responsibilities statement

Members have the right to:

1. Be treated with respect and recognition of their dignity and right to privacy.
2. Receive information about the health plan, its services, its practitioners and providers, and members' rights and responsibilities.
3. Participate with practitioners in decision-making regarding their healthcare.
4. Participate in a candid discussion of appropriate or medically necessary treatment options for their conditions, regardless of cost or benefit coverage.
5. Make recommendations regarding the organization's members' rights and responsibilities.
6. Voice complaints or appeals about the health plan or the care provided.

Members have a responsibility to:

1. Provide, to the extent possible, information that the health plan and its practitioners and providers need in order to care for them.
2. Understand their health problems and participate in developing mutually agreed upon treatment goals to the degree possible.
3. Follow the plans and instructions for care that they have agreed on with their practitioners.
4. Pay copayments or coinsurance at the time of service.
5. Be on time for appointments and to notify practitioners/providers when an appointment must be canceled.

Eligible individuals' rights statement wellness and health promotion services

Eligible individuals have a right to:

1. Receive information about the organization, including wellness and health promotion services provided on behalf of the employer or plan sponsors; organization staff and staff qualifications; and any contractual relationships.
2. Decline participation or disenroll from wellness and health promotion services offered by the organization.

3. Be treated courteously and respectfully by the organization's staff.
4. Communicate complaints to the organization and receive instructions on how to use the complaint process that includes the organization's standards of timeliness for responding to and resolving complaints and quality issues.

Habilitative services

CareFirst provides coverage for habilitative services to members younger than the age of 19. This includes habilitative services to treat congenital or genetic birth defects, including a defect existing at or from birth, a hereditary defect, autism or an autism spectrum disorder, and cerebral palsy.

Habilitative services include speech, physical and occupational therapies. CareFirst must pre-approve all habilitative services. Any deductibles, copayments and coinsurance required under your contract apply. Policy maximums and benefit limits apply. Habilitative services are not counted toward any visit maximum for therapy services.

Please note: Any therapies provided through the school system are not covered by this benefit. This coverage applies only to contracts sold to businesses based in Maryland. Check your contract coverage to determine if you are eligible to receive these benefits. If you have questions regarding any of these services, contact Member Services at the telephone number on your member ID card.

Mastectomy-related services

CareFirst provides coverage for home visits to members who undergo a mastectomy (the surgical removal of all or part of the breast as a result of breast cancer) or the surgical removal of a testicle. Coverage includes one home visit that occurs within 24 hours after discharge from the hospital or outpatient facility and an additional home visit if prescribed by the member's doctor. To be eligible, the member must be in the hospital less than 48 hours or have the procedure performed on an outpatient basis. This coverage applies only to contracts sold to businesses based in Maryland. Please check your contract coverage to determine if you are eligible for these surgical procedure benefits.

CareFirst offers other benefits for mastectomy-related services, including:

1. All stages of reconstruction of the breast that underwent the mastectomy.
2. Surgery and reconstruction of the other breast to produce a symmetrical appearance.
3. Prosthesis (artificial breast) and treatment of the physical complications that occur at all stages of the mastectomy, including lymphedema (swelling).

You and your physician will determine the appropriate plan to treat your condition. These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits covered under your health plan. Please refer to your Benefit Guide or Evidence of Coverage for more details or call Member Services at the telephone number on your member ID card.

Care for mothers, newborns

Under the Newborns' and Mothers' Health Protection Act, CareFirst offers coverage for inpatient hospitalization services for a mother and newborn child for a minimum of:

1. 48 hours of inpatient hospitalization care after an uncomplicated vaginal delivery.
2. 96 hours of inpatient hospitalization care after an uncomplicated cesarean section.

If the mother and newborn remain in the hospital for at least the length of time provided, coverage includes:

1. A home visit if prescribed by the attending physician.
2. The mother may request a shorter length of stay if, after talking with her physician, she decides that less time is needed for her recovery.

If the mother and newborn have a shorter hospital stay than listed above, coverage includes one home visit scheduled to occur within 24 hours after hospital discharge and an additional home visit if prescribed by the attending physician.

Defending Access to Women's Healthcare Services

Revision Act of 2018

For our Washington, D.C. groups

The services set forth below mirror preventive services under the Patient Protection and Affordable Care Act. These preventive services and contraceptive services are covered when clinically appropriate, under recommendations of the United States Preventive Services Task Force and supporting evidence. Services apply to D.C. plans that have elected or are required to provide these preventive services. Limitations may apply with respect to the availability, setting, frequency, or method of a service or treatment.

These preventive services are offered at no cost to you. This means you don't have to pay a copay or coinsurance, even if you haven't met your deductible. Subscribers are still responsible for their portion of the premiums
