Does the Employer contribute to any account(s)?  Yes  No (default)

If yes, indicate which accounts and amount of contribution: *(select all that apply)*

- Medical \$ \_\_\_\_\_ per participant at the start of the plan year.
- Dependent Care \$ \_\_\_\_\_ per participant at the start of the plan year.

**Note:** The employer can contribute up to \$500 to all eligible workers without the employee contributing. When employer is contributing an amount over \$500, the employer's contribution cannot exceed the employee's election.

**Grace Period**

The grace period only applies to Medical and/or Dependent Care FSAs. It is the additional time period in which members can incur out-of-pocket expenses in the new plan year if money is left over from the previous plan year. Claims incurred during the grace period may be submitted until the end of the runout period. A grace period is not recommended for dependent care FSA. You may choose grace period or rollover, but not both.

*The grace period can be up to two months and 15 days from the end of the plan year. The grace period cannot exceed the runout period end date for a Medical FSA. A grace period is not recommended if you currently offer an HSA or if you are considering adding one in the future.*

Would you like to add a grace period to the end of the plan year for **Medical FSA**?  Yes  No

**Rollover**

You have the option to allow employees to carry over up to \$500 from the current plan year to their FSA for the following plan year. The rollover amount does not count towards the annual FSA contribution limit. Without the rollover or grace period, balances at the end of the plan year are forfeited. You may choose rollover or grace period, but not both. Indicate what happens to unused balances at the end of the plan year:

- Roll over balance up to \$500 to subsequent plan year
- No balance rolls over

**Runout Period**

The runout period is the deadline for participants to submit claims for the previous plan year. All eligible claims must be received by the end of the runout period.

*The suggested runout period selected for a Medical FSA is 3 months from the end of the plan year. A runout period always begins at the end of the plan year, and if a grace period is selected, it runs concurrently with the grace period.*

If you selected **Medical FSA**:

Please indicate the length of the runout period for active Medical FSA employees: \_\_\_\_\_ (months)  
*(Length of runout period must be indicated in whole and/or half month increments. Half months equate to 15 days.)*

**XII. ADMINISTRATIVE TIPS**

**ONLINE ACCESS:** hellofurther.com

With Further, your employees have access to a powerful tool for managing their FSA. By registering with hellofurther.com, your employees can:

- Enroll in direct deposit
- Create and view a customized statement
- View recent claims or reimbursement requests
- Manage their personal profile

You can also access forms and enrollment materials at **hellofurther.com**.

**LOCATIONS:** Multiple Further locations are available for 51+ groups only. If you want multiple Further locations, please complete and attach the Locations Addendum (F8928). Locations must be the same across all products administered by Further. If you wish to have different ACH accounts by location, please complete the Group ACH Authorization Agreement Form (X9055).

**COORDINATING WITH AN HSA:** For participants that have an FSA and an HSA, the FSA provides reimbursement for permitted benefits such as vision and dental care benefits until the health plan deductible is met. Once the health plan deductible is met, all Section 213(d) expenses, excluding deductible expenses, are eligible for reimbursement.

This affects only those participants who are eligible to contribute to their HSA. Participants who are not eligible to contribute to an HSA will have a general purpose (Full) FSA.

Please note: If the HSA is not administered by Further, the group is required to manually notify Further which employees are contributing to the HSA. Participants are accountable for submitting the Deductible Verification Form (F8978) to Further to indicate that the deductible has been satisfied prior to receiving reimbursement for 213(d) eligible expenses.

**COORDINATING WITH AN HRA:**

- \* If the HRA allows reimbursement for health plan eligible expenses only, the HRA is primary and the FSA is secondary.
- \* If the HRA allows all 213(d) expenses to be reimbursed, the FSA is primary and the HRA is secondary because unused FSA funds are forfeited if not used for the applicable plan year.

**ACCOUNT FEES:** For participants who have an HRA stacked with a Further FSA, only one monthly participant fee will apply. Participant fees are billed monthly via mail and are payable ACH. You will receive one bill for the entire group including the billed amount for each location (if applicable).

**PLAN DOCUMENTS:** Further will be preparing your Plan Document and Summary Plan Descriptions (SPD). The documents will be sent to the group contact within 60 days of receipt of the completed Plan Design Guide.
