GROUP MINIMUM ENROLLMENT REQUIREMENTS

It is understood and agreed that in order to be eligible for coverage and maintain such eligibility, the Group must meet the following requirements.

Minimum Enrollment Requirements for Freestanding Dental and Vision Products

The Group must enroll and maintain enrollment (unless otherwise approved by CareFirst) as stated below:

When a Group selects employer-sponsored freestanding dental and/or vision benefit coverage, the Group must enroll and maintain enrollment of at least 75% of all eligible employees for the employer-sponsored dental and/or vision coverage. If at any time there are less than 75% enrolled in the employer-sponsored dental and/or vision products; CareFirst reserves the right to rescind the proposal (if prior to effective of the applicable Group Contract), revise the rates, terminate the product that does not meet the 75% requirement, or refuse to renew the product that does not meet the 75% requirement.

For Groups with 50 or fewer eligible employees, when a Group selects Voluntary dental benefit coverage, the Group must enroll and maintain enrollment of the lesser of ten (10) eligible employees or 35% of all employees eligible for the Voluntary dental coverage. If at any time there are less than ten (10) eligible employees or 35% enrolled in the Voluntary dental coverage, CareFirst reserves the right to rescind the proposal (if prior to effective of the applicable Group Contract), revise the rates, terminate the product that does not meet the requirements, or refuse to renew the product that does not meet the requirements.

For Groups with more than 50 eligible employees, when a Group selects Voluntary dental benefit coverage, the Group must enroll and maintain enrollment of 20% of all employees eligible for the Voluntary dental coverage. If at any time there are less than 20% enrolled in the Voluntary dental coverage, CareFirst reserves the right to rescind the proposal (if prior to effective of the applicable Group Contract), revise the rates, terminate the product that does not meet the 20% requirement, or refuse to renew the product that does not meet the 20% requirement.

For Groups that select Voluntary vision benefit coverage, there are no minimum enrollment requirements for the Voluntary vision benefit coverage.

If the Group offers dental or vision benefits only and at any time total enrollment increases or decreases by 10% or more, CareFirst reserves the right to rescind the proposal (if prior to effective of the applicable Group Contract), revise the rates, terminate this Group Contract, or refuse to renew this Group Contract.

The basis for determining whether an enrollment increase or decrease has occurred will be the total enrollment:

1. On the effective date or contract renewal date versus the total enrollment proposed at the time the rates were developed; and
2. On the first day of any month during the contract period versus the total enrollment proposed at the time the rates were developed.

At least one employee must be employed full-time and enrolled under the Group's dental or vision coverage on the first day of the plan year. (Note: Those employees with complementary to Medicare coverage do not count toward the one employee minimum enrollment requirement.) Enrolled Groups that drop to less than one full-time employee at this time should contact their CareFirst Sales Representative to arrange for individual direct pay coverage.

Exclusions from Requirement Calculations (Applicable to All Products)

The following eligible employees will be excluded from any count of eligible employees for purposes of calculating compliance with any minimum enrollment requirement above:

1. Those eligible employees who have coverage under their spouse's or parent's group coverage, TRICARE, Medicare as primary under TEFRA, or their prior employer's plan under COBRA.
2. Those eligible employees enrolled in other CareFirst coverage or covered under any CareFirst affiliate.
3. Those employees who obtain coverage through the Individual Exchange where the employer does not offer affordable coverage and minimum essential coverage as defined under the Affordable Care Act.

Former employees, if eligible below, will not be included in the total number of eligible employees or the total number of enrolled employees for purposes of calculating compliance with any minimum enrollment requirement.

CareFirst will notify the Group of any rate adjustments no later than 45 days prior to the effective date of the rate change. If, however, the proposed premium rate increase exceeds thirty-five percent (35%) of the annual premium charged, CareFirst will give the Group prior written notice of no less than sixty (60) days.

Annual Enrollment Certification

CareFirst reserves the right to inspect the records of the Group after 60 days from the effective date of the Group coverage in order to verify the eligibility of employees and their dependents. In addition, the Group agrees to complete and return to CareFirst an eligibility audit and/or census report annually.

EMPLOYER CONTRIBUTION

To be eligible for CareFirst Group dental and/or vision benefits coverage, the employer must identify the contribution level that applies to the dental and/or vision benefits coverage in the checkboxes below. If the employer's contribution for enrolled employees is an amount equal to at least 50% of the cost of the Individual Coverage for enrolled employees, then the employer should select employer-sponsored below. If the employer's contribution is less than 50% of the cost of the Individual Coverage, the plan will be

considered Voluntary, and the employer should select Voluntary below. If the employee or participant in the Group agrees to pay the entire premium for the coverage to the Group, then the employer should select Voluntary below.

If the Group selects dental benefit coverage, the Group must specify if the coverage will be:

- Employer-sponsored or
 Voluntary.

If the Group selects vision benefit coverage, the Group must specify if the coverage will be:

- Employer-sponsored or
 Voluntary.
