

For brokers and producers only

Date: March 7, 2019

Market: MD and VA 1-50

2019 Group Contract Applications Reminder

This is a friendly reminder to use the 2019 group contract applications that are available on the CareFirst Hub and on the CareFirst [broker portal](#) when you submit new and renewing group paperwork.

Changes were made to Maryland and Virginia 1-50 group contract applications so please be sure to use the versions labeled for 2019 business.

For more information

If you have any questions, please contact your broker sales representative.
