

For brokers and producers only

Date: March 17, 2023

Markets: All Commercial Groups and CFA, except Group Medicare Advantage

CAA: RxDC Reporting – Due June 1, 2023

CareFirst is diligently working to develop the detailed instructional guides that will assist our clients in preparing and submitting plan level P2 and D1 files for the upcoming submission of 2022 reference year data. In the interim, we would like to share a list of [FAQs](#) with additional details to help answer some common questions we have received.

For more information

If you have any questions, please contact your CareFirst representative.
